

## Rewild your Window April

Exciting that you are planting with us. This month we will be planting on our windows. Pick what you are interested in and plant along with us. In the first weeks of April Hazelnut will be planting: **Salads, Summer Squash, Bergamont, Catmint, Nasturtium, Poppy, Sunflowers, Sweet Pea, and lavender.** In the middle of April we will be planting: **Runner Beans, Pumpkin, Squash, and Strawberries.** Below I've attached some helpful YouTube clips to answer any questions. Equally you can join our WhatsApp group for further discussion and encouragement. Just send your name and phone number to John at [office@hazelnutcommunityfarm.com](mailto:office@hazelnutcommunityfarm.com)
