

Rewild your Window February

Exciting that you are planting with us. This month we will be planting on our windows. Pick what you are interested in and plant along with us. In the middle of February Hazelnut will be planting: **French beans, Onion, and Basil.** We will also be **chitting potatoes** ready for planting next month Below I've attached some helpful YouTube clips to answer any questions. Equally you can join our whatsapp app group for further discussion and encouragement. Just send your name and phone number to John at office@hazelnutcommunityfarm.com
